Proposal for JACoW Team Meeting 2020 in Bangkok, Thailand

Thakonwat Chanwattana
on behalf of SLRI

29 Jan 2020

SLRI

- Synchrotron Light research Institute (SLRI) is the only one synchrotron light source facility in Thailand located in Nakhon Ratchasima or Korat, a big city 250 km North-East of Bangkok.
- SLRI is going to host IPAC'22 in Bangkok.
- IPAC'22 will be the very first JACoW conference organized in Thailand and South East Asia.

*We would like to invite JACoW team members to have the Team Meeting 2020 (TM'20) in **Bangkok**.*

Proposed dates for TM'20: **15-20 November 2020**

Weather during October and November

- Average temperature: 28 °C (high 31 °C, low 24 °C)
- Season: rainy to winter (still quite hot)
- You can expect the sun most of the daytime!

Proposed location

We propose to have the team meeting in Bangkok.

The Grand Palace

Lots of Shopping Centres

Nightlife at Khaosan Road

Enjoy street foods on Yaowarat Walking Street

Shopping at Asiatique The Riverfront

And a lot more for you to discover in Bangkok!

Transportation

Suvarnabhumi International Airport (BKK)

Transportation from the airport to Bangkok city centre

Airport Rail Link

Shuttle bus and special bus

Taxi or Grab (like Uber)

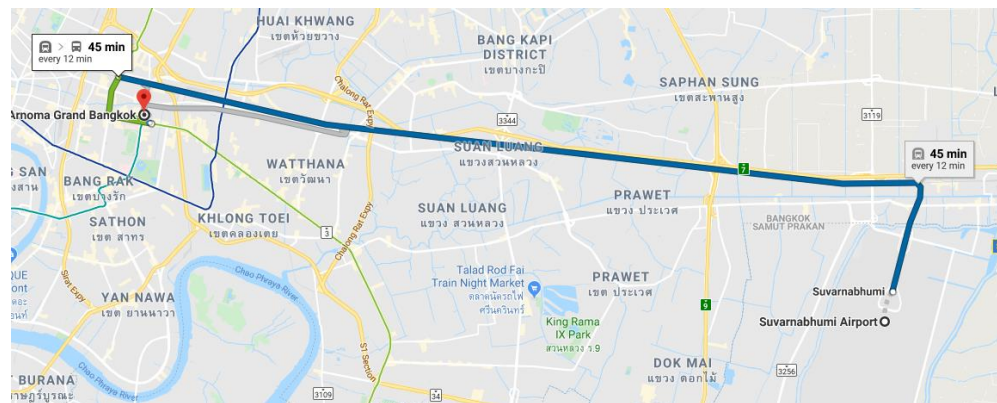

Proposed Venue

Arnoma Grand Hotel, Bangkok (<https://www.arnoma.com/>)

- Locate in centre of Bangkok, Ratchaprasong area, with lots of shopping malls, bars and restaurants
- Easy access from Suvarnabhumi Airport and to get around Bangkok
- Great venue for meetings with professional AV equipment and sound systems
- Leisure function: fitness centre, sauna, outdoor swimming pool, Thai spa and pool bar

Recommended transportation from the airport to the hotel

Airport Rail Link

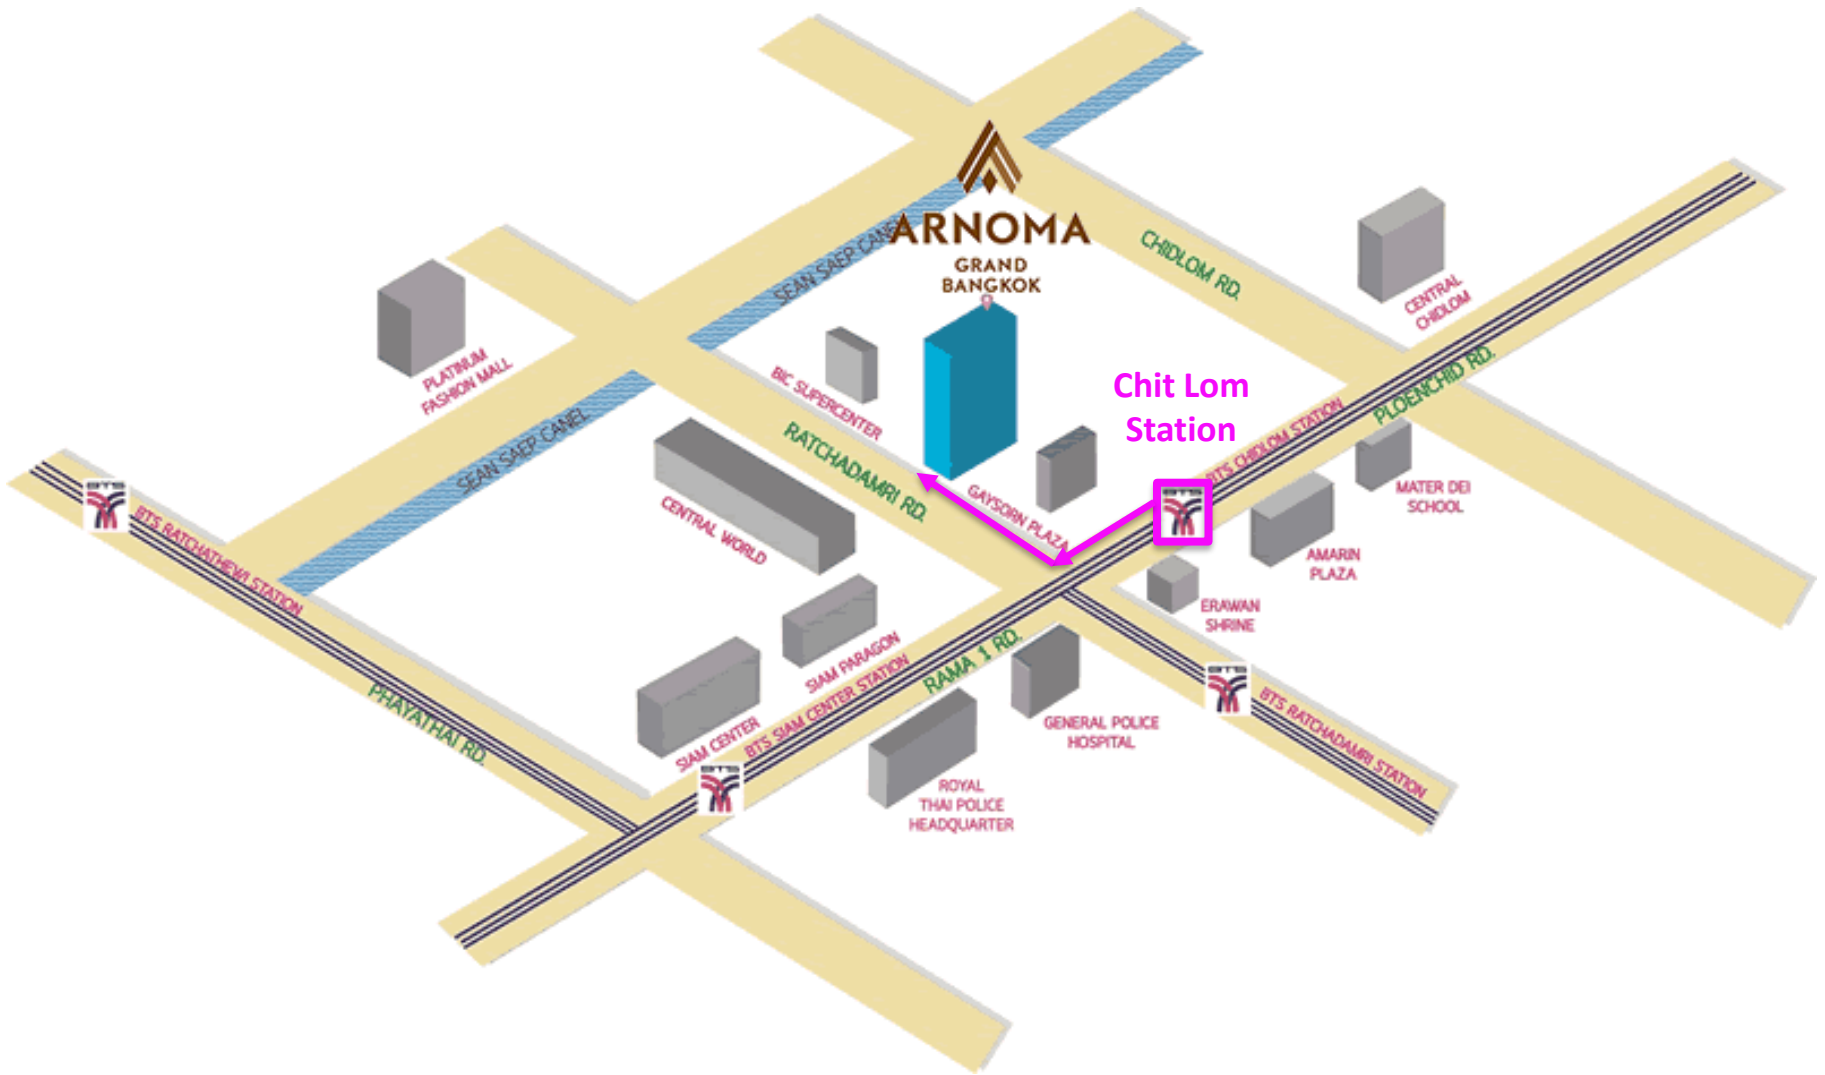

BTS Skytrain

45 minutes from Suvarnabhumi Airport by taking

- Airport Rail Link to **Phaya Thai**
- BTS Skytrain [Sukhumvit Line] to **Chit Lom**
- 500m walk or taking a taxi to the hotel

BTS stations and places nearby
