## Understanding:

- Almost “zero” related in how to use it
- Just a little bit related to the needed infrastructure
- ...

## Expectations:

- Someone will rescue us
- It can be learned and we have some time
- It works
- ...

## Needs:

- Special material prepared for PCOs
- Integration with the APP (same as 17,19,20 and 21 editions)
- Help for SPC1/OC1 meeting
- ...
